SEVENS - MULTI-SQUARE WORKSHEET

Square 1
```
            X
                        0
    X               X
                        42
            X
    0               28
```

Square 2
```
            X
                        35
    X               X
                        6
            X
    10              21
```

Square 3
```
            X
                        12
    X               X
                        0
            X
    8               0
```

Square 4
```
            X
                        3
    X               X
                        8
            X
    6               4
```

Square 5
```
            X
                        49
    X               X
                        42
            X
    42              49
```

Square 6
```
            X
                        24
    X               X
                        15
            X
    18              20
```
